St. Jude's Children's Research Hospital

Sharing and Caring Hands
Avenues for Homeless Youth
Miracle House (NY)
Compatible Technology International

Through Minnesota Helpers, I spearheaded a successful campaign to help artist Julie Nelson rebuild and re-supply her pottery studio that was damaged by Hurricane Katrina (SeaCoast Echo, Bay St. Louis, MS, 2006).

To encourage young artists, I have extended summer internships to Minneapolis College of Art and Design students, and have mentored other young, aspiring painters.

Education and Experience

Michigan Technological University, B.S., Environmental Engineering, 1997
Outdoor Science Teacher, New York, 1998 – 2002
Visual Artist, Minnesota, 2002 – the present
